

PINEROLO - TORINO

SAVIGLIANO - MARENE (A6)

CUNEO

As every year, for public road needs, it will not be possible to drive up the hill to the Festival with one's car. Access to the hill through Via San Lorenzo and Via Creusa will be blocked by traffic personnel, who will only allow residents and visitors equipped with the proper PASS to enter. All other visitors are invited to leave their cars in the following parking areas and are urged to use the NAVETTA – BUS. On the map in the pdf file, you will find parking sites P1, P2 and P3, suggested by the local police, from which the NAVETTA-BUS will depart.

- P1** FORO BOARIO PLAZA (Via G. Sampò)  
There is a large free parking lot at the entrance of Saluzzo, from which the NAVETTA-BUS service will bring you up the hill. This is the parking area that the police advise our visitors to use.
- P2** TRAIN STATION (P.zza Vittorio Veneto)  
The train station has a parking lot with a limited number of spaces. The NAVETTA-BUS, which goes up the hill to the festival, has a stop here.
